Remarks

If you are looking for space to build your dream home, look no further. Tucked away in the heart of the Key Peninsula, you will find this gorgeous property situated in a beautiful wooded setting. This property has already had a septic design approved and has had power brought in for an RV hookup as well as approved permits for a 3 bedroom home. Just tucked away enough for peace and serenity but close enough to Home and Key Center for all of your services and restaurants. Come take a look before it's too late!
